DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 3/1/2004 was filed after the mailing date of the final office action on 12/31/2003. The statement made according to Patent Rule § 1.97(e) states:

"The items contained in this Information Disclosure Statement was *first cited in any communication* from a foreign patent office in a counterpart foreign application *not more than three months prior to the filing of the information disclosure statement.*" (IDS filed March 1, 2004; italics mine).

However, it is clear from the submitted communication from the foreign patent office in a counterpart foreign application that the communication was mailed on October 21, 2003 and received on October 24, 2003. This is more than four months prior to the filing of the IDS (March 1, 2004).

Consequently, the submission is in not compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner is not considering the information disclosure statement filed March 1, 2004.

Drawings

2. The drawings filed on 12/10/2001 are informal. In order to avoid abandonment of this application, Formal Drawings are required in reply to the Office action. The correction will not be held in abeyance.

Allowable Subject Matter

3. Claims 1, 2-55, and 57-104 are allowed.

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Deandra M Hughes whose telephone number is 703-306-4175. The examiner can normally be reached on M-F, 8:30am-5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas G Black can be reached on 703-305-9707. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
